A photograph of an elderly Black man with a grey beard and glasses, wearing a purple button-down shirt. He is sitting in a brown armchair, smiling warmly at the camera. His hands are clasped in his lap. To his left is a green potted plant. To his right, a window shows a view of green foliage. A person's hand is visible on the right side of the frame, resting on the arm of the chair.

The home where *life flourishes*

Nestled in a quiet cul-de-sac in the Greenside Avenue area of Barnsley overlooking Mapplewell Primary School, Mapplewell Manor offers a serene setting within a vibrant village.

Just a five-minute walk from shops, churches, and cafés, the home combines the comforts of a close-knit community with modern facilities designed for exceptional care.

Unique features like the Victorian courtyard with a water fountain and well stocked garden add to the home's charm.

Mapplewell Manor is an extension to my family. It is a special place with special people in it. I have such fond memories of the home.

Gardens that spark *connection and calm*

The gardens here provide a welcome retreat for residents and a peaceful space to catch up with visiting friends and family. The Victorian courtyard, with its water fountain and seating areas, is perfect for socialising or quiet reflection, while the wildflower embankment and weeping willow provide stunning natural beauty.

Residents enjoy gathering flowers from the grounds for flower-arranging activities, fostering creativity and a connection to nature. The outdoor spaces are also home to seasonal events like summer barbecues and gardening sessions, where residents with green fingers can plant flowers and tend to raised flower beds.

At Mapplewell Manor, the gardens aren't just outdoor spaces - they're places where memories are made and joy blossoms.

We were blown away by the lovely grounds, gardens, lounges, and rooms, as well as the real positive vibe you feel.
